

5M buddies PM

5M buddies with Prep M

This year Mrs Maddicks' class 5M and Mrs Maunder's class PM are buddies!!

Year 5 are helping the prepies to learn various tasks including using scissors, tying shoe laces and glueing among other things.

The main aim of their associations, is for social interaction, where the little kids actually talk to others, maintain eye contact and answer questions. They get together once a week on a Wednesday afternoon and they all appear to have a really fine time.
