Dear Parents and Caregivers,

Welcome to 2017! I would like to welcome our many new parents and students to Mackay North and I take this opportunity to say thank you to the whole school community (particularly the parents and carers) who have been magnificent partners in ensuring that your children have returned ready for school. Thank you also to our staff (both teaching and non-teaching) for their teamwork and effort which started in Term 4 last year, and in the weeks leading up to the start of Term 1 this year. Because of this hard work, the atmosphere on our first day was calm and purposeful, with the great outcome for students being that classes were active in learning from the very start of day one at Mackay North, including our new prep students.

Again this year our school has seen growth in student numbers. This is the 4th year in a row that our number of students has increased. This year we have begun the school year with 409 students. This is fantastic, although it does bring with it some challenges; namely the need for us to create a new class group which will be a Year 1/2 composite class. The new class group will be formed towards the end of this week with the view of starting afresh on Monday. The teacher appointed to this class group is Mrs Alison Bray. Alison is very familiar with our school, having been on contract with us for the past two years. Alison’s knowledge and familiarity with our school and its processes and procedures will make for a smooth transition for the students joining this class. Therefore our staff model for 2017 will be as follows:

<table>
<thead>
<tr>
<th>Classroom Teaching Staff</th>
<th>Support Staff</th>
</tr>
</thead>
<tbody>
<tr>
<td>Prep MW – Mrs McKinnon and Mrs Wicks</td>
<td>Librarian – Mrs Maunder</td>
</tr>
<tr>
<td>Prep B – Miss Bugeja</td>
<td>Guidance - Mrs Gauci</td>
</tr>
<tr>
<td>1M – Mrs McGann</td>
<td>HPE – Ms Balchin</td>
</tr>
<tr>
<td>1B – Mrs Borresen (Currently on sick leave and replaced by Mrs Wilson)</td>
<td>Music - Mrs Hunt</td>
</tr>
<tr>
<td>1/2B – Mrs Bray</td>
<td>LOTE – Mr Shew</td>
</tr>
<tr>
<td>2HB – Mrs Hine and Mrs Bird</td>
<td>Pedagogy Coach/HOC – Ms Bankie</td>
</tr>
<tr>
<td>20 – Miss O’Shea</td>
<td>Student Support Teacher (Prep, Yrs 1 and 2) - Mrs Caldow</td>
</tr>
<tr>
<td>2/3B – Mrs Butler and Mrs Briggs</td>
<td>Student Support Teacher (Yrs 3 and 4) - Mrs Hosking</td>
</tr>
<tr>
<td>3S – Mrs Scott</td>
<td>Student Support Teacher (Prep, Yrs 5 and 6) – Mrs Finch</td>
</tr>
<tr>
<td>3W – Mr Williams</td>

(Cont’d)
OUR EXPLICIT IMPROVEMENT AGENDA

In 2017 we will continue our focus in the foundation learning area of Reading. This will be reinforced by a “Reading for fun” afternoon held in Week 7 every term. If you are available and would like to join your children in some reading activities you would be most welcome.

During the latter part of 2016 our school staff reviewed our school’s academic data, not only NAPLAN data, but our report card data and our Mighty Minds writing data. As a consequence of this review we have determined that our main improvement goals for all students this year are linked to their writing. The two areas we will be looking to improve our students in, are sentence structure when they write and their punctuation of their sentences.

Our school believes that through high expectations, deep knowledge, targeted teaching and continuous monitoring, ALL students at our school can experience high levels of success. In order to enable this success for students we have used our school budget to create additional teaching positions for student support. The students will call these sessions REM.

The core belief behind REM is that EVERY student in the school will be receiving additional support in their literacy and numeracy at their personal learning level. This means that if a student is working at a higher level, they will be working with other students at this higher level to continue to improve. Equally, if a student requires additional support to understand a concept, they will be working with students of a similar ability during REM lessons. REM lessons will happen daily in writing and number.

Mackay North State School Improvement Agenda 2017

* SENTENCE STRUCTURE & PUNCTUATION
* NUMBER
and always focused on
* READING AND WRITING

PARKING, DROP OFF AND PICK UP AROUND OUR SCHOOL

Mackay North State School is a medium sized school with four street access. With over 400 students enrolled this year, mornings and afternoons are a time of significant congestion on the streets around our school. We are continuing to work with Mackay City Council to review and improve the car parking, pick up and drop off arrangements for our school. While we work with the council, I would ask all parents, carers and students to ensure they continue to observe appropriate safe behaviours at drop off and pick up times.

When parents and carers are parking and entering our school to drop off and/or pick up students, please note the following:

• There is limited car parking available in the carpark on Willis Street. If using this carpark, please ensure you walk out of and into this car park safely.
• Consider parking a few streets away and walking a little further.

PARK SAFE - WALK SAFE
Parents should remain in their vehicles and allow students to exit or enter the car from the kerbside. Please do not use the “Stop, Drop and Go” zone as a carpark, particularly in the mornings.

Please drive as far forward as possible in the zone. If you are unable to pull into the zone (e.g. the zone is full), or if you have been waiting longer than two minutes in the zone, you **MUST** leave the zone and drive around the carpark before returning to the zone.

Students are dismissed at 2.45pm, so the zone becomes very busy around this time. It is not nearly as busy five or ten minutes later. Please do not arrive at 2:35pm (or earlier) and “park” in the zone.

Additionally, concerns continue to be raised regarding vehicles dropping off students on School Street, Evans Street and Harvey Street. Please be aware that there are designated parking zones on these sides of the school. Please ensure you use them correctly. Already this term it has been observed that parents are parking in **NO STANDING ZONES, BUS ZONES** and across **PEDESTRIAN CROSSINGS**. Crossing the street away from the pedestrian crossing or the crossing supervisor, doing U-turns on the pedestrian crossing or exiting a car and leaving it running are all illegal. These driving behaviours are unacceptable and as a school community we would all be saddened by an injury or worse to any student caused by a vehicle. Parents must obey the road rules.

The safety and wellbeing of our students are our primary concerns and I again thank all parents and carers for your co-operation and attention to these matters. In order to further ensure our students safety the Queensland Police Service have been contacted to request assistant with this matter.

NEW YEAR

Welcome to the 2017 school year. I hope that you have all had the opportunity to spend special time with family and friends over the holiday break and feel refreshed as we begin a new year.

Thank you so much to all members of our school community for making our start to 2017 so smooth and positive. We are fortunate to have an extremely knowledgeable, professional and dedicated staff who work to ensure every student strives to achieve the best they can, a wonderfully supportive parent/carer group who have prepared our students so well with correct uniforms and all equipment for the beginning of the new school year, and a fantastic group of students who try their best in all they do.

Our students came into school so well prepared and calm on the first day of school. They are a credit to themselves and to you for the way they conducted themselves at the start of the new school year. I look forward to seeing this behaviour continue throughout the year.

P-2 SWIMMING

During Term 1 this year, Mackay North State School will be involved in a school swimming program that will be conducted at the Pioneer Swim Centre. This program will involve all students from Prep to Year 2, and include the Year 3 students in 2/3B. The swimming program is a compulsory part of education at Mackay North State School and we look forward to the successes your child/ren will make by being involved in this program.

The program will be structured as follows:

Timing: 8 x 45 minute sessions over two weeks.

Dates: Week 4 – Monday 13th February, Tuesday 14th February, Wednesday 15th February & Thursday 16th February

Week 5 – Monday 20th February, Tuesday 21st February, Wednesday 22nd February & Thursday 23rd February

Program: Qualified swimming instructors will conduct swimming lessons at Pioneer Swim Centre. The swimming program focuses on teaching children to swim with some general water safety. It aims to develop water confidence and water safety as well as the skills of swimming. When children are ready, stroke development and technique are introduced.

Cost: The program cost for the 8 x 45 min lessons (including instruction from Pioneer Pool staff and pool entry) is currently being worked out. Invoices and more details will be sent home very soon.

PAYMENT IS REQUIRED AT THE OFFICE BEFORE YOUR CHILD ATTENDS LESSONS (Cont’d)
SAFETY

Our students were reminded on parade on Friday about the need to be vigilant with safety. In particular, we spoke about the stop, drop and go area in the afternoons.

To ensure that your children are safe, they have been reminded that in the afternoon when they’re waiting to be picked up in that area, that they are to wait quietly inside the school grounds, with no playing. When they see the car that’s come to pick them up, they need to wait until they see it stop at the gutter in the stop, drop, go area before going out to it. Alternatively, if the person picking them up has parked in the carpark, they are to wait inside the school grounds until that person comes over to collect them. Then they need to walk with that person, preferably holding their hand, over to the car. Children often think that because they can see the car, the driver can see them. However, this is not always the case, especially if the vehicle is a 4WD, the child is small or the driver is a momentarily distracted.

Please reinforce this safety message with your children. We want all of our students to remain safe.
‘EVERY DAY COUNTS’ is a state wide initiative that aims to assist in improving student attendance at school through a shared commitment by students, parents, caregivers, schools and the community.

Research shows that poor school attendance is associated with:

- lower academic achievement including literacy and numeracy
- early school leaving
- leaving school with fewer qualifications
- reduced opportunities for students to learn and access educational resources, further limiting achievement
- further absenteeism in higher year levels
- increased alcohol, tobacco, and substance use in adolescents
- subsequent unemployment
- lower levels of health/life expectancy.

As we return for 2017, parents are reminded of the importance of sending children to school every day. Being at school every day counts, with one day absent each week quickly adding up to two months of missed lessons in a year.

Unless your child is ill, it is expected that your child will be at school learning every day of the school year so that they have the best opportunity to become the best that they possibly can be.

Congratulations to the students of PMW for a great effort of 100% attendance for their first week of compulsory schooling! What a terrific start to the next 13 years.
How excited were we all to get back to school and meet our new teachers and classes?

My first Newsletter item of the year is a request.....The SEP team are hoping you may have some empty plastic bottles we could use to collect our ‘worm juices’ from our worm farm. 2 litre bottles would be great and 3 litre bottles would be even greater! Please drop them into the Special Ed building if you are able to assist. Thank you in advance for your help with this.

The Autism Support group has advised us that they are organising a High Tea to be held on February 18th. The information is below. If you would love an afternoon of yummy treats and an opportunity to ask lots of questions and hear helpful answers.............BOOK NOW.  Final numbers are needed ASAP – like NOW!

Mackay Autism Support Group
Presents Q and A HIGH TEA

Saturday 18th February 2pm – 4.30pm
Oceans International Galleons Restaurant
Bridge Road, Mackay

- Enjoy a scrumptious high tea and then ask questions of the Q and A panel of adults on the spectrum.
- Adults only afternoon – open to parents, other adults on the spectrum and professionals.
- Numbers are strictly limited, so book ASAP to autismmackay@gmail.com
- $20 a head. Payable when you RSVP please directly to our group bank account. BSB 034195 Account NO. 551261. Please use reference high tea and your surname. If paying over the counter at Westpac, please email us that you have deposited your money. autismmackay@gmail.com
- Your attendance is not assured until you have paid. ASD adults on the panel will be given a complimentary high tea.
- If you have any questions prior to the day you definitely want answered, please forward to me ASAP.
- If you need respite to attend this afternoon contact CRCC (1800 052 222) for options.
Also coming soon is a free Positive Partnerships workshop for parents of students diagnosed with Autistic Spectrum Disorder (ASD). Please see the flyer (below) if you would like to register for this free workshop.

Positive Partnerships is coming to a location near you!

Join us for 2 days of learning with other parents and carers of school aged children on the autism spectrum, designed to help you foster productive school, family and community relationships to provide the best kind of support for your child. Our workshops are for parents, carers and grandparents wanting to understand more about autism and learn practical strategies using evidence based resources to help maximise their young person’s learning.

What will you gain by attending this workshop?

- An increased understanding of the impact of autism
- Further knowledge about how to develop effective partnerships with your school
- Information to help you access further support both inside and outside of school
- An opportunity to be part of a support network where you can share strategies and experiences with other parents/carers
- An understanding of a planning tool that can be used to share key information related to your child

Workshop details

Venue: Magpies Sporting Club
1 Glenella Road
Glenella QLD 4740

When: Wednesday 1 and Thursday 2 March 2017
9.15 am – 3.00 pm (Registration from 8.30 am)

Catering: Morning tea and lunch is provided. Please advise any dietary requirements upon registration.

Register Online: positivepartnerships.com.au. Registrations open 8 December 2016 and close one business day prior to the workshop. Register early as places are limited!

Questions? If you are not able to register online please call the Positive Partnerships Infoline: 1300 881 971 or email parents@autismspectrum.org.au

The Positive Partnerships Initiative is funded by the Australian government Department of Education and Training through the Early Years Children with Autism package and is delivered by Autism Spectrum Australia. The views expressed in this publication do not necessarily represent the views of the Australian Government or the Department of Education and Training.
I wonder if you saw the article on Mindfulness in the Sunday Mail this week. The article stated that researchers have found that 1 in 7 children aged 4 to 17 years old have a mental health disorder. Mindfulness has been shown to bring significant benefits to students’ sleep habits, boosts concentration and reduces stress and anxiety levels. The article said that it ‘can even have the knock-on effect of lowering disruptive and bullying behaviour in schools’.

What is Mindfulness? “It is the practice of quieting the mind and bringing attention to the present”.

If you download and use the App with your family members, I would be very interested in your feedback, so please let me know. I am going to give it try myself!!!!!

On a day to day matter, the Special Education teachers currently assigned to Year levels are Mrs Helen Parker will look after Prep, Year 3 and Year 4; Mrs Mondy Daniel is looking after Year 1 and Year 5 and Chris McGovern is with the Years 2 and 6 students. Our wonderful teacher assistants go everywhere doing all things – thank you to them!

Looking forward to a great year with all students achieving at high levels.

Until next time, Helen Parker (For the SEP Team)
**Instrumental Music**

Instrumental Music has had a great start to the year with this year’s beginners participating in the Quick Start Program. Thank you to all the families of beginner students for having returned your forms! Please ensure that you have paid the instrumental levy and beginner pack fees ASAP as students cannot take their instrument or pack home until all forms are returned and all monies have been paid.

Lessons for continuing students will begin in week 3 and ensemble rehearsals in week 4. This year the instrumental days will be Monday for the Brass, Woodwind and Percussion program and Tuesday for the Strings program. All ensemble rehearsals and instrumental lessons will be in the Activities Room.

**Choral Festival**

Students in Years 4, 5 and 6 are invited to join the Senior Choir. Our first event for the year is the annual Choral Festival. Permission letters will be going home next week with students who have nominated to be part of the choir this year. Senior Choir rehearsals will be Monday first lunch (with a second rehearsal on Wednesday at first lunch just until week 8 to cover the Choral Festival repertoire).

**Recorder Ensemble**

Students in Years 5 and 6 are invited to join this year’s recorder ensemble. We will be rehearsing at first lunch on Tuesdays starting this week. Upcoming performances include school parades and Rats of Tobruk service.

Music gives a soul to the universe, wings to the mind, flight to the imagination and life to everything ~ Plato

Jodie Hunt
Welcome back to the new school year everyone. It has been great to see you in the library again and a big hello to new students to our school!

This year, we are hoping to minimise our lost and damaged book number. Sadly, last year we didn’t do so well in this department.

To help out with this, it is IMPERATIVE children in Years Prep – 4 have a waterproof library bag to use. Our wet weather and water-bottles cause a lot of damage to our books. Students in Years 5 and 6, if they have a library bag, may continue to use this or alternatively use a homework folder or strong plastic bag.

Most classes have a scheduled library borrowing time, where students independently select book/s for their own reading pleasure. In addition to this, our avid readers in Years 3 - 6 are welcome to borrow before school or at lunch times, and Prep, Year 1 & 2 students are able to visit the library before and after school WITH a parent for extra bedtime stories. We would love to see more parents take advantage of this. Pop in and say hello to us!

The library is often in need of donations of strong plastic bags, old library bags (in good condition) and ice-cream containers.

Over the holidays you may have found library books or homework readers. If this is the case, we would love them returned!

If you are planning on leaving our school, please check for any library books and return them to us or the office.

Looking forward to sharing some great books with your children this year!
Welcome to our Indigenous ATSI families

Our school has a homework program for Indigenous ATSI students. An adult needs to attend for students to participate. Assistance is available with set homework and reading.

When: Monday – Tuesday
Where: Resource Centre or the Computer Lab
Time: 2.45-3.45

Afternoon tea provided - Light snack (fruit).
Please see - Jo Dorante if you are interested.

P&C

Our first P&C meeting for 2017 will be held on Thursday 9th February at 3pm in the Library. We would love to see as many people as possible attend so that we can meet you.

Our meetings are informal and focus on what we can do to enhance your children’s learning experiences at Mackay North.

Your children are welcome to come and sit quietly in the Library while you attend the meeting.

Our Annual General Meeting will be held later in the term. Please watch out for the date.

Calling for volunteers – we need your help!

Students really enjoy participating in the Commonwealth Bank School Banking program, but to keep this program running we need your help.

The program requires a volunteer School Banking Co-ordinator to facilitate the banking and distribution of School Banking rewards. This only takes a small amount of your time one day a week and the Commonwealth Bank will provide support in how to run the program. Your help with the program will greatly benefit students as they develop vital saving skills and also help our school with fundraising.

Currently, School Banking day is Wednesday.

If you are interested in volunteering for this great program, please contact the office for further information.
Dear Parent / Caregiver,

Our school is participating in Scholastic Book Club this year. Twice a term during the school year a Book Club catalogue will be sent home with a different selection of books being offered.

Each order you submit helps to earn scholastic credit for our school, which we can then use to purchase books and teaching materials for our children and teachers to use.

Orders can only be placed through an online payment system called LOOP (Linked Online Ordering & Payment platform). LOOP is a fast convenient and safe way to place orders without the need for cash handling and/or paper forms.

Information on how to make an order through the LOOP online system can be found on the Scholastic Book Club catalogue, or visit the Scholastic website http://www.scholastic.com.au then select “Parent Payments”.

Any and all sensitive payment information used on LOOP is kept private by Scholastic and not disclosed to the Book Club organiser or to the school.

Please note that Book Club is **NOT ACCEPTING CASH PAYMENTS**. All orders must be processed and paid for online.

If you do not have access to a computer or the online ordering system, the school computers in the library are available to be used to assist you in making these online orders.

We would like to encourage all parents and/or caregivers to use the new LOOP system for the above-mentioned benefits. Should you require assistance using this system, please contact me (Book Club Organiser) for help.

The books will usually arrive around a week after the Book Club due date.

Thank you for your continuing support of our School Book club.

Regards

Book Club Organiser

BRING HOME A BIG BROTHER OR SISTER AND BRING FRENCH CULTURE TO LIFE!

Why not volunteer to host an international student from France mid year? We have a small group of delightful French students coming to Australia for ten weeks to immerse in local Australian culture, experience our high schools, sports, environment and lifestyle. Arriving in June, all the French students are around 15 years old, speak excellent English, have their own spending money, cover all school expenses, and we arrange all aspects of their program. They are looking forward to joining an Australian family for a short term. It’s fun and interesting to help these young people achieve their Australian dream. If you’d like to know more, please email your interest to Rob at Inter Cultural Management on rob.lindsay@icm-education.com.au or call 0438 689828.
