Dear Parents and Caregivers,

VALE - Dianne Woo

Mrs Dianne Woo, a much loved and respected member of our school staff sadly passed away last week after a battle with stomach cancer. Dianne is well remembered by all staff and students as a vibrant, energetic person who had a passion for the teaching and learning of reading, particularly with the early year’s children. In the past 20 years that Dianne has been employed at Mackay North State School she has worked with children to better their learning. Dianne had a desire to see children constantly improving in their learning and would love to share her passion with all. I can recall numerous times when Dianne would come to my office and easily spend an hour sharing her stories of student learning and development. Dianne is survived by her husband Phillip, their daughters Monica and Jemimah and their families. Dianne will always be remembered as part of the Mackay North State School family.

CLASSES FOR 2017

As with every school year in term 4 one of the major tasks to undertake is the drafting of classes for the upcoming year. This process begins with predicted numbers for our school. Currently we are predicting to start the school year with approximately 400 students. This is slightly up on the beginning of 2016. However, when drafting classes we are mindful that circumstances for families may change over the Christmas break which can effect school enrolment. Therefore any predictions that are made, are made with caution because changes often occur.

When drafting classes the following points are always considered:

- The predicted number of children who will be enrolled at Mackay North in February 2017. This number will impact on the number of staff allocated to the school.
- Class size targets eg. Prep to Year 2 is 25 students per class, for Years 3 - 6 it is 28, and for composite classes it is 25.
- Continuity of class groups for learning and friendships.
- Wherever possible an even distribution of abilities and gender.
- Children with a disability are carefully placed.
- Feedback from teachers on individual children’s learning needs.
- Feedback from Parents/Caregivers are considered based on improved learning outcomes.

At this stage we are predicting 16 classes. The allocation of teachers to those classes are shown below. There is a possibility of a 17\textsuperscript{th} class, but this will not be clear until the beginning of 2017 school year. If there is a 17\textsuperscript{th} class that needs to be created it will be a composite class in the lower part of the school. Again this will be dictated by the number of students enrolled.

STUDENT LEADERS

On this week’s assembly, the School Captain nominees will present their speeches to the year 4, 5 and 6 students, teachers and parents. I would like to commend all students who have been nominated. Following the presentation of speeches students and staff will participate in a secret ballot using the preferential voting system. Once voting is completed the counting of votes will commence and students will be notified of the results during week 9.

END OF YEAR EXPECTATIONS

With the end of the school year less than only two weeks away it is vital that the students of Mackay North State School maintain the very highest expectations for themselves right up until the very last day. This includes the highest standard of behaviour and conduct, wearing the school uniform and being at school, on time, every day.

REPORT CARDS

Report Cards are in their final checking stage. There is a huge amount of work that goes into each report card which gives parents and carers some very useful information regarding their children and what they have achieved, and what they can do to improve next year. Please take the time to read these with your child/ren. Report cards will be distributed on Thursday 8th December.

SIGNING SHIRTS – YEAR 6 ONLY

One of the traditions that has come into schools when students leave, either because they are moving schools or are finishing primary school, is to have one of their school shirts signed with messages from their friends.

This is fine to do at Mackay North State School, however the shirt must be brought to school and signed by your friends. It must not worn at school. This can only be done on Break-up Day.
YEAR 6 GRADUATION

The Year 6 Graduation celebration will take place at the North Mackay Bowls Club on Tuesday 6th December at 6:30pm. The cost is $7.50 per person and tickets are to be paid for at school prior to the event.

On the evening, families will be requested to show their ticket which will display the number of people they have paid for to attend the evening.

The students are to wear smart, casual attire. The evening will include the presentation of Graduation Certificates, the Spirit of Rats of Tobruk Award and an address from former students of Mackay North State School. The evening will conclude with light refreshments for everyone and the year 6 students performing graduation dances. I look forward to seeing you there.

SWIMMING CARNIVAL

On Wednesday 7th December we will have our Swimming Carnival event at the Pioneer Swim Centre. Students will walk with school staff to the pool to begin events at 12:30pm. They will need to wear appropriate sun safe swimwear and sunscreen. Hats are essential. We will not stop for a break during the two hours of the carnival, but students should take a light snack and a water bottle with them to the pool for afternoon tea. Students will not be permitted to purchase items from the canteen.

Thank you for supporting School Banking!

We would like to thank all of our students who have taken part in the Commonwealth Bank School Banking program this year. Not only does the program reward children for saving regularly, but it is also a great fundraiser for our school.

Keep an eye out for our 2017 Back to School launch in Term 1 next year where you’ll find out about our new theme, new rewards and the Grand Prize competition!

Our final School Banking day for 2016 will be Wednesday 30th December. If you wish to order a reward item for your child this year please ensure that your redemption slip is filled in and returned prior to this date. Any tokens that have not been redeemed this year can be used in 2017.
This year, we are asking for your help by donating food for hampers.

When donating, there are a few things to consider:

1) All food items need to have a ‘Best Before’ or ‘Expiry Date’ of AT LEAST April 2017.
2) Please ensure items are non-perishable ie. not fresh.
3) Some suggested food items include: Long life custard, jellies, Christmas cakes & puddings, tinned ham, potato chips, bags of lollies, tinned fruit, biscuits, cordial and main meal foods such as pasta, pasta sauce etc.

Please bring all your hamper items to the office.

Your generous donations will be presented to the Salvation Army at parade on Friday 2nd December.
CONCERT

I would like to congratulate our students on the fantastic performances at our concert last week. They were absolutely amazing with their performances and their behaviour. MECC staff commented on the great behaviour that they displayed during the evening. It is a credit to them and to you as their parents.

Our staff have to be congratulated also for their planning, organisation and dedication in creating such an event to enable our students to shine the way that they did. Without such a professional team an occasion like this could not happen. Our gratitude is also extended to the staff at the MECC for their patience and guidance in polishing the presentation of our concert. Thank you so much to everyone who make it possible.

SALVATION ARMY CHRISTMAS APPEAL

Thank you to those families who have sent items into school for the Salvation Army Christmas Appeal. We will be presenting our contribution to a representative from the Salvation Army on parade on Friday 2nd December. Please continue to support this worthy cause by sending in non-perishable food items with a best before or expiry date of at least April 2017.

YEAR 3-6 AWARDS NIGHT

Invitations have been sent home with those students who are receiving awards at the Year 3-6 Awards night on Tuesday 29th November. This evening is being held at the North Mackay Bowls Club and will begin at 7:00pm. All students receiving awards should wear their full school uniform, *NOT their senior shirt*, to the event.

I would like to congratulate all of our students on their efforts this year, particularly those receiving awards.

CHRISTMAS CARDS

Our school tradition is to distribute Christmas cards to our school friends in the last week of school only. Students are asked to write the name and class of the person they are giving a card to and place it in the Santa Post-box outside the 1/2M classroom. Santa’s elves from 1/2M will then deliver the cards to the classrooms during the day. Any lollies that are attached to the card are to be taken home, not eaten during the school day.

Please help to keep our Christmas card tradition alive and encourage your children to bring their cards during the last week of school and place them in the post-box.

Jensen Slater from 1/2M was caught posting Christmas cards in the Santa Post-box.
What a fantastic effort by 1/2M in week 6 with 100% attendance for the week. Unfortunately week 7 could not produce similar results, with every class except 5S having students away on Friday after our concert night. Congratulations to those students in 5S and their teacher for putting in such a big effort.

Hello again everyone in the Mackay North family,

I can’t believe that another school year has nearly passed!

Thank you everyone for your support and assistance in working towards our students achieving at high levels – in Curriculum and social contexts.

This week we sent via email, updated information on NDIS to our families with students verified with a disability. For families without email addresses, we will be sending home the information in a hard copy.

Website: www.ndis.gov.au

The NDIA has sought Queensland Government assistance to reach possible participants in the Scheme. DET is one of Queensland government agencies that have been identified to assist.

The NDIA is wanting to get information to families of primary aged students as soon as possible. The NDIA will be working over the school holiday period to give more families the opportunity to engage with the scheme.

To facilitate this request, we have sent out the information on behalf of the NDIA. You received:

Part A
1. Accessing the NDIS
2. Developing your first NDIS plan
3. Getting ready for your planning conversation

and Part B
4. Early Childhood Early Intervention - for families with children aged 0 -6 years.

Carers Queensland offers FREE, UNBIASED, help with writing plans for your NDIS meeting.

Many of the Special Education support programs at our school assist the students with improving their phonological awareness. This important group of skills is a basis for developing reading skills. Below is a newsletter from our Speech Language Pathologist to explain Phonological Awareness in more detail.

#### Welcome to Issue #9:

**Are you AWARE of Phonological Awareness?**

Phonological awareness is the ability to hear and play with sounds that make up words. It consists of syllables, rhymes and sounds. Phonological awareness provides children with essential foundational knowledge in the alphabetic system. It is one necessary instruction which is crucial for literacy development. Explicit awareness of the sound structure of a word helps children draw connections between the spoken form of a word and its written form. Below is the suggested hierarchy for teaching phonological awareness.

A casual position exists for a School Crossing Supervisor at Mackay North State School.

The School Crossing Supervisor will be required to work five days per week in all weather conditions. The hours of work for School Crossing Supervisors are 1 hour and 30 minutes a day and usually comprise of 1 hour in the morning and 30 minutes in the afternoon on alternant weeks. Commencement date (to be advised) with a Pay Rate of $28.18 per hour.

The successful applicants will be dependent on:

- The suitable outcome of a health assessment carried out by a GP of your choice according to the guidelines in the “Notes for Medical Practitioner” on the School Crossing Supervisor Scheme – Health Assessment Form; (this is paid by the Department)

A Positive Blue Card Notice (This is also paid by the Department and means you do not need to have a blue card to apply for the position)

If you are interested in the position please collect an application form from the School administration or contact Karen Cantoni (Road Safety officer) on 49 518331.

The School Crossing Supervisors Application is to be returned to the School for the school Principal’s recommendation.
Please pay all outstanding fees to the office by Friday 2nd December, the end of week 9.
Mackay North State School has joined the House Call Doctor Give-Back Program where the community can earn points for the school that convert to a dollar value at the end of each quarter!

**How does it work?**

When someone downloads the free House Call Doctor app they have the option to nominate their school or sporting club. Whenever they book a House Call Doctor through the app, and complete a booking with us, one point will be awarded to their nominated school or club. At the end of each quarter points are converted to dollar value (1 point = $1) and provided to your school.

(Students travelling of MTC Urban Services to Schools)

As you may be aware current urban services in Mackay will change on the 28 November 2016 and the new TransLink branded network will commence.

As part of the change to our TransLink branded network for Mackay, there are numerous changes to routes across our region. Passengers currently using the urban network to get to and/or from schools within the region, may find their travel options have changed.

As part of the TransLink branded services, there will no longer be any ‘school diversions’ (services that stop directly at school gates) at school times (am or pm). However, there are regular stops located near schools on the new bus routes. This means that student passengers will need to walk to the closest stop on the route in order to utilize services.

The current school services will remain the same at this time.

If you are unsure about the changes, and how they will affect you, please see below for the services that will change:

COME PLAY FOOTY & HAVE FUN!!

We have an extremely dedicated and knowledgeable coaching team who have been proven to get the best out of all players, while providing a safe and fun environment. We are currently recruiting players from U6’s right through to U17’s for season 2017. If you are interested, we are having a sign-on day Saturday 26th November from 9am to 12pm at Northern Beaches Bowls Club. Alternatively contact our club President Andrew Battaia on 0423161662, or our Registrar Kim Wilson on 0411042556.
ALWAYS TELL SOMEONE YOUR PLANS...(4Ws + H)

WHO...you are with
WHAT...you are doing
WHERE...you are going or have been
WHEN...you left
HOW...you are travelling

• FEELING UNSAFE remove yourself. Always safety first.
• LISTEN to your body. Trust & act on your instincts.
• BE ALERT & AWARE ditch your headphones & be aware of your surroundings.
• AVOID walking alone & shortcuts. Walk with a mate.
