Ready Set Go is a pre-prep program to assist our children and parents to best prepare for the curriculum and learning expectations of the upcoming Prep Year. Any children starting Prep next year are welcome to attend regardless of which school they will be attending.

#### Purpose of the Program:

To provide an orientation and skill based program to help prepare our future students for the Prep Curriculum in the year ahead

To model and provide activities and ideas for parents to work on with their children at home to ensure that they have the best opportunity to succeed in the Prep Year.

To foster and build relationships between teachers, students and parents prior to the commencement of the school year

To provide opportunities for our future Prep students to interact with one another and build relationships prior to commencing school.

If you are interested in attending please complete an enrolment form and return to the school office. You do not have to attend every session. Please remember that students must attend with an adult but this may be grandparents or other parents that are attending.

We look forward to meeting you and your child!
