How to order:

- Separate brown paper bag is required for 1st break and 2nd break orders.
- Ice block orders can be added to your child's Tuckshop order. Frozen items can be picked up from the Tuckshop when the "play bell" rings. Prep to year 3 needs to order on bag and bring bag to tuckshop counter to collect ice-block
- Please do not use staples or sticky-tape as this can cause the bag to rip when opened; instead fold the bag to ensure money stays inside the bag.
- Tuckshop orders should be placed in the Tuckshop Box located in each classroom. If your child is late to school, please ensure you hand the order/s directly to tuckshop staff. All 1st break order must be received by 9:15 am and 2nd break orders by 10:30am.
- We reserve the right to alter orders if insufficient money is received OR an item is unavailable.
- Where possible please enclose the correct amount of money. Any change will be returned in or stuck to the paper bag that is was received in. Please ensure your child is aware of this: we are NOT responsible for change once it has left the tuckshop.
- If you don't have a paper bag, they are available from tuckshop at a cost of 20c per bag. Please ensure you add this cost to your order.
- Please remember we are only human, and occasionally, mistakes do happen. If your child notices any mistakes in their order, please encourage them to return to tuckshop with their food and paper bag, and we will endeavour to rectify the matter.
